

# Video Game Design

Grades  
6-8

Dakota Hills Middle School

## Design your own video game!

Coding is fun! Use math and reading skills, and pair those skills with a ton of creativity to create your very own video games.

## Bring your friends!

Hang out with others and meet new people in a fun and social environment as you get creative using the Scratch program. No previous computer experience necessary.

## Dates:

Mon-Thu  
April 17-27

## Times:

3:00 - 4:15pm

## Fee:

8 sessions | \$65

## Where:

DHMS Computer Lab  
E118

## Teacher:

Mr. Albertson

## Register Online:
