

Shannon Park Elementary

after school

3:50-4:50pm  
& learning fun

register by Friday, March 17

spring 2017

**LEGO X: Hammers & Ballerinas (grades 1-5)**

Build an automated hammer, a bouncing ballerina design, your own "Mystery Contraption" and much more! The newest, coolest LEGO projects are found here. Create specific projects to investigate basic principles of levers, gears, and pulleys and then be asked to use what you have learned to design, build, test and modify your won creations. *Youth Enrichment League Staff*

Thur | Apr 6-May 11 | 6 ses | \$69 | SSPLX-S1

**Robotics: Star Wars Droid Builder (grades 3-5)**

Bring Star Wars inspired inventions to life with the super cool Star Wars LEGO Mindstorms Robotics Developer kit. Start with a simple droid mechanism and then move on to more ambitious droids that move and walk. This modular building system lets you build using sub-assemblies, making it easy to create and customize the robotic droids. All of these great robotic inventions are powered by the *Micro Scout*, the smallest LEGO microcomputer, equipped with light sensor and six robotic programs to control your droid creations. Possible models include the Droid Vehicle, Trainer Droids, our version of R2D2 and more! Experiment with robotic programs that avoid light, seek light, controlled by lights and act as alarms. *Computer Explorers Staff*

Thur | Apr 6-May 11 | 6 ses | \$75 | SSPSW-S1

**Science Explorers' Wizard School (grades 1-5)**

Investigate a wizards laboratory. Become an apprentice and learn the science behind the magic. Explore the secret world of alchemy (medieval chemistry) as you create potions and perform experiments in this hands-on, imaginative class. *Science Explorers Staff*

Thur | Apr 6-May 11 | 6 ses | \$69 | SSPWS-S1

**Spectacular Spring Art (grades K-5)**

Sculpt lion pots, cute clay dogs and weave a little rug for your furry friend. Create tropical landscapes, paint pretty peacocks on canvas board and draw Snoopy and his flying friend, Woodstock. Spring is the perfect time to let your creativity bloom! *Abakadoodle Staff*

Tue | Apr 4-May 9 | 6 ses | \$75 | SSPAB-S1

**WeDo Robotic Engineering (grades K-3)**

Make science come to life powered by the LEGO WeDo systems and software. Working in pairs, explore the exciting world of robotics by learning programming skills, engineering concepts and the names of the robot components. Build LEGO models featuring working motors, tilt sensors, motion detectors, and a LEGO USB Robotics Hub. *Computer Explorers Staff*

Tue | Apr 4-May 9 | 6 ses | \$75 | SSPWD-S1

register online at [www.district196.org/ce](http://www.district196.org/ce)

After school programming is a collaborative effort between Shannon Park Elementary School and District 196 Community Education

Send a small, healthy, nut-free snack with your child to eat immediately after school.

**Register by Friday, March 17.** Registration is coordinated by District 196 Community Education. Registration for an after school class can be done two ways:

For more information or questions contact Community Education at 651-423-7920 or email communityed@district196.org

**1. Register online at [www.district196.org/ce](http://www.district196.org/ce)** and click on the "Navigation Menu" tab located on the upper left side of the main page. First time users will need to set up an account and add all family members who will be registering for the after school classes. To search for an after school class online, type in the course code or name. When registering, please check to make sure class location is Shannon Park Elementary. Students who enroll online receive a class confirmation email and will also receive a class confirmation sent home from school. Registering online is your best chance to get into your class of choice.

**2. Return registration form with payment to your child's classroom teacher by Friday, March 17.** Students should register for a first choice and a second choice. Class sizes are limited. Submission of a registration does not guarantee placement in a class. Every effort will be made to place your child in an after school class of their choice. If your child is not placed in any after school class, you will be notified by phone. Class confirmations will be sent home from school.

**PLEASE READ NEW SCHOLARSHIP POLICY.** Scholarships are available. One scholarship per student, per session is available to students on free and reduced lunch. Students on reduced lunch receive a 50% discount on one class fee in this brochure. **Students on free lunch pay \$15 for one class in this brochure.** If student would like to register for second class, the class fee for the second class must be paid in full.

**Scholarships cannot be accepted through the online registration process.** If you wish to request a scholarship for an after school class, please fill out the appropriate information on the registration form and turn in to your child's classroom teacher or call the Community Education registrars at 651-423-7920.

**Regular attendance is expected.** Please send a note if your child attends during the school day, but is excused from his/her after school class. Students on scholarship who miss more than two days of class will not be eligible for a scholarship for the next after school session.

**Classes may be canceled due to bad weather or emergencies.** Visit [www.district196.org/ce](http://www.district196.org/ce), District 196 Community Ed on Facebook, listen to the media, or call Community Education at 651-423-7920. If District 196 schools are closed for the day, after school community education activities are canceled. Every effort will be made to reschedule canceled classes however, there are instances where classes cannot be rescheduled.

**A school nurse may not always be on-site during the Community Education enrichment classes that take place before or after the school day.** Emergency medication will be given directly to the Community Education program coordinator. Emergency medications will be administered by a trained school personnel when the school nurse is unavailable.

**No bus transportation is available.** Students may walk home if they are within the walker boundaries, or they must be picked up by a parent or guardian. Crossing guards will not be provided for students who walk. To pick up your child, meet your child at Shannon Park's main entrance. Please be prompt.

Enrollment in District 196 Community Education classes or activities constitutes permission to District 196 to take and use photographs, video and other likenesses of you and your enrolled minor child in District 196's promotional materials and publications. If you do not wish for the image and likeness of you or your minor child to be used in this manner, contact the Communications Department at [communityed@district196.org](mailto:communityed@district196.org) or call 651-423-7701.
