In accordance with Minnesota state law, Independent School District 196 conducts Early Childhood Screening to assist parents and communities in improving the health of Minnesota children and in planning educational and health programs. To ensure identification of risk factors that may influence learning, screening requirements include the following areas:

- immunization assessment
- developmental screening to assess development of cognitive, fine and gross motor skills, speech and language, social-emotional behavior and self-help skills
- hearing and vision
- height and weight
- health history
- summary interview

\_\_\_\_\_ I understand the purpose of Early Childhood Screening and due to my conscientiously held beliefs object to having my child screened in all of the areas listed above.
