Educating our students to reach their full potential

Series 707.3AR Adopted May 1990 Revised January 2002

Title Changes in Bus Routes

1. **Before School Year** - Bus routes shall be reviewed and adjusted, as necessary, before the beginning of each new school year.
2. **During School Year** - Bus routes shall be reviewed and changed, as necessary, during the school year.
 - 2.1 If a bus route change during the school year results in students being transported to school by the district who previously were not transported to school by the district, that change shall become effective as soon as necessary to comply with the district policy on bus routes (section 3 of district policy 707, Student Transportation).
 - 2.2 If a bus route change during the school year results in students not being transported to school by the district who had previously been transported, that change shall be implemented at the beginning of the next school year.
3. **Communications** - Families affected by changes in bus routes will be notified in writing by the Transportation Department before the change is implemented.
