2009 Summer Bridge to School

For incoming kindergarten students who would benefit from a summer transition experience to kindergarten

Dear Parents,

Summer Bridge is a preschool program designed to ease your child's transition to kindergarten. This summer program is for children who are uneasy about starting kindergarten. It is for children who have never had a preschool experience or participated in a group of children with a teacher, or ridden a school bus by themselves. This preschool is an opportunity for children who are still learning English before they start kindergarten. Summer Bridge to School is designed to support children who need a "practice time" before kindergarten.

It will prepare your child by providing him or her with an experience very similar to kindergarten. Teachers will focus on developing beginning reading and writing skills, encouraging language development, participating in a group setting, following rules and routines and getting along with other children in a group.

Your child will attend classes at a local elementary school for three weeks, Monday through Thursday for four hours in the morning. Times will vary based on the elementary school your child will attend. (See school schedule inside or call 952-431-8334 with questions.)

There is a small cost to participate based on a sliding fee schedule. Scholarships are available. Please look at page 2 of this registration form for more information. If you wish your child to participate in this transition to kindergarten, please fill out the registration form attached and return it immediately.

Please feel free to contact our office if you have any concerns or questions. Call 952-431-8334 Mondays through Fridays 7:30 a.m. to 4 p.m.

We will notify you when your child is enrolled.

TO INSURE A SPOT IN THIS PROGRAM FOR YOUR CHILD, PLEASE RETURN THE REGISTRATION FORM AS SOON AS POSSIBLE.
