College & Career
READINESS CAMPAIGN

2017 Minnesota ACT Exemplary High School
Eastview High School

Eastview Learning Community – YOU SHOULD BE PROUD!

ACT developed this Campaign and Recognition to help states shine a light on schools that are doing more, overcoming obstacles, and serving as examples to others to improve the condition of college and career readiness for all.

- Student growth towards meeting ACT College and Career Readiness Standards
- Support structures in place for students, particularly those from underserved populations
- Success in enrollment/participation in dual or concurrent enrollment programs, internships, and other career navigation opportunities
- Leadership opportunities for students to develop collaborative problem solving, responsibility, goal striving, self-knowledge, and career exploration skills
