

EVHS Summer Band 2009

We are very pleased to announce plans for the 2009 EVHS summer band program. We will have two different opportunities for new 9th grade students this summer. We will offer a 9th grade band camp and private lessons. Students may participate in one or both of the summer band activities. All activities are held in the EVHS band area.

9th grade band camp

The summer band camp is for incoming 9th graders only. The dates of the camp are **Tuesday through Thursday, July 7-9 and 14-16, 8:30-10:30 am.** The cost to participate in **the entire camp is \$70.** All six days will be unique, with different activities and musical offerings. We want students to have fun playing their instruments and meet their new band classmates. The camp will include full group rehearsals of concert music, pep band music, the EVHS school song and more. We also will have break-out sessions for each instrument and small group time featuring instruction on topics such as music theory, improvisation, listening activities and musical trivia. The camp will also include a tour of the facility at EVHS. While we highly encourage students to attend both weeks, students will benefit from attending a single week of the camp if conflicts exist. **The charge for a single week of camp is \$40.** This camp is a wonderful way to meet the band directors and make some connections in the EVHS band program.

Private Lessons

The private lesson program will include four lessons with one of the Eastview band directors. Each lesson will be twenty minutes long. The lessons will be given at EVHS between **July 6th and August 9th.** **The cost of the private lessons will be \$60.** We will try to accommodate scheduling issues such as vacations or transportation concerns. Registration fees will be refunded if scheduling cannot be resolved.

To register for any or all of the above offerings, please mail the bottom of this letter with a check by **June 5th, 2009.** Feel free to email the band directors with any questions. The EVHS Band office number is 952-431-8952.
