The Eastview Lightning Varsity Soccer Camp promotes the game of soccer for all players entering the 9th-12th grade who are committed to excellence. We promote the importance technical & tactical training, self discipline, and teamwork in a structured and fun environment, allowing players to develop to their fullest potential in preparation for 2008 soccer season.

This optional camp offers a high level of instruction where individual skills are addressed and developed then refined tactically through the use of small and full sided games.

Be expected to be challenged both physically and mentally during this intense 10 hour camp. As a team "in pursuit of excellence", we need to start laying a strong foundation now for our season this fall.
