VARSITY GIRLS SOCCER CAMP**

DIRECTOR

David Herem: Head Coach Eastview High School Girls' Soccer

OBJECTIVES

The Eastview High School Varsity Soccer Camp is an opportunity to improve both individual and team skills. This camp is designed for candidates for the 2009 Varsity team. I anticipate a highly competitive and intense camp. To move to the next level it is important to spend some time this summer working on individual skills, developing a common terminology and strategy, and laying a foundation for future teamwork. This gives you a chance to measure yourself against other varsity candidates. It will also be an opportunity to begin developing common terminology and team strategy for the 2009 season. As always I hope the hard work will also be fun!
