Game Summary:

The Eastview Lightning tasted defeat for the second time of the season against cross-town rival Apple Valley on Tuesday night. The second loss is also reminiscent of the first loss of the season-as the lightning outshot and controlled play for most of the game. Despite limited play and possession Apple Valley was able to convert their chances, scoring the 35th minute and then 2 seconds before the halftime whistle. The final goal came with about ten minutes remaining as the Lightning were pushing multiple players into the attack. The Lightning are 4-2-1 and take on Burnsville at home on Thursday night at 5:00pm.
