Corner Kicks:	1/3
Fouls:	10/2

Misconduct Summary: None

Game Summary:

The Lightning accomplished their objective of going 2 and 0 in the Lake Conference by beating Bloomington Kennedy on Thursday night. Playing in Lightning stadium it did not take long to get the scoring started as Leah Nesheim ran down a pass from Courtney Driscoll and finished in the 4th minute of the game. Driscoll would register her second assist of the game in the 30' minute with a pass to all state junior Brianne Price. Price was not done for the night however. Brianne would connect with Nesheim early in second half and then score again in the 49th minute for the game's final goal. It was goalkeeper Victoria Hoffman's second shut out in a row. Team speed and pressure created by all of the Lightning players overwhelmed the Kennedy squad and showed that Lightning may be headed on the right track. The Lightning travel to Duluth on Saturday for non-conference match up with the number 10 rated team in the state Duluth East.
