

EASTVIEW HIGH SCHOOL Safety and Security 2017-2018

On school days between 7:30am – 2:25pm all students/parents must enter the building through the West Entry (Lower).

A safe, positive and orderly learning environment is a top priority at Eastview High. Please be aware of the following building safety and security measures.

1. As you enter Eastview before school the North (upper) doors and the West (lower) doors are all accessible. After school (2:25pm), students may exit the building using either the North or West Doors.
2. After 7:30am (on school days - 1st hour bell), students and parents will be unable to enter the building through the North (upper) doors until 2:25pm.
3. On school days between 7:30am – 2:25pm, students / parents arriving at school after 7:30am must use the West (lower) doors.
4. REMINDER: The south doors leading to practice fields and the Teen Center are emergency exits only – alarms will sound if used.
