

Eastview Graduation Program

Return your order to the high school office by:
Thursday, November 12th
or place your order @ www.jostens.com

Very soon, students will be given packets containing important ordering information concerning graduation. Take advantage of group prices on your announcements and accessory order. Order by the deadline date above and save. Extra information packets, along with a colored sample of the graduation announcement are available in the high school office.

Cap, Gown and Tassel (PROVIDED by EVHS)

The graduation cap, gown and tassel is provided to you by EVHS. Measurements for cap and gown do not need to be filled out in Section #4 of the graduation order form. The school will handle the cap and gown ordering process during a designated homeroom at a later date.

Diploma (PROVIDED by EVHS)

The graduation diploma is provided to you by EVHS. The school will handle the collection of formal names during a designated homeroom at a later date.

Announcements and Accessories

Pictured above is a sample of your custom engraved graduation announcement. The "actual colored custom" announcement is sent to friends and relatives to notify them of your student's special accomplishment-graduation.

- Send an announcement when you graduate!
- Send an invitation when you have a party! (Check out the New-Personalized Photo Invitations)
- Send a thank you when you receive a gift.

Announcements are sold in three packages and include the most popular items for your convenience. You may order any items a la carte to add to your package or for individual ordering.

A special thank you to the senior graduation committee who worked with Jostens to design the official custom graduation announcement for the Class of 2010.

Congratulations to you and your student and a sincere thank you for allowing us to serve you.
