

DRESS CODE REMINDER

Now that the weather is nice, we'd like you to keep in mind the FRMS guidelines regarding proper attire.

Shirts must have sleeves and cover your torso completely from the base of your neck to below the beltline. Ladies: if you wear a tank top, you must wear something with at least short sleeves as well.

Gentlemen: If you wear a sleeveless jersey, you must wear something with at least short sleeves under the jersey.

Shorts or skirts must extend to mid thigh or below. Generally, if your arms are hanging down and your hands are extended, shorts or skirts should at least reach the bottom of your fingertips. It is fine to wear leggings or biker shorts/spandex under a pair of shorts to reach the appropriate length.

If your attire is inappropriate, you will need to change or call a parent/guardian for more clothes.

LEAVE AT HOME UNLESS YOU HAVE LEGGINGS OR SLEEVES

FINE FOR SCHOOL
