

Join the Eastview Community Foundation!

The Eastview Community Foundation (EVCF) provides thousands of dollars in grant money to EVHS and our feeder schools (grants to help purchase school supplies or cover the cost of new technology), and tens of thousands of dollars to graduating seniors in the form of scholarships. It is an incredibly hard working, supportive and generous group of Eastview community members working on the behalf of our students and families.

How to support EVCF:

- *Join!* We have 4 levels of individual membership that will work with all budgets. Your membership fee supports our activities, and there are no other requirements of our members. Membership is a click away – visit www.EVCF.org to join.
- *Donate* – visit our website to make a donation.
- *United Way donation* – EVCF can be designated as a recipient of your United Way gift made through payroll deduction where you work or as an outright donation. Because we are a 501(c)3 charitable organization, you can designate us to be a recipient of your United Way gift even though we are not a United Way funded agency. United Way Designation: Write the Eastview Community Foundation name and address on your pledge form or gift-designation card and United Way will see that your contribution is sent to us: P.O. Box 240905, Apple Valley, MN 55124.
- *Invite your company to join!* We have 5 levels of business membership, with several corporate promotional opportunities.
- *Participate!* We have several committees that support our events and activities, and we can always use the enthusiastic help of volunteers.
