Spelling Lesson 6
Words Ending With -c, -k, -ck

Pattern: The /k/ sound at the end of a multi-syllable word is often spelled c as in magic, or ck as in attack. Occasionally, the /k/ sound at the end of the word is spelled with a k like in chipmunk. The only ways to learn which ending to use are by studying the word, picturing it in your mind, trying to write the word, or looking in the dictionary.
