

Parents, please make sure your children have the following supplies to start the 2008-2009 school year.

Gym shoes should have ties or Velcro with non-marking soles for Physical Education.

Please NO Trapper Keepers

Make sure to label everything clearly with first and last names.

Recognizing the cost of items, efforts have been made to reduce the request for supplies.

Several organizations provide school supplies for those in need. Please contact the Northview office if you are interested.
