

As a parent or guardian of an Oak Ridge Elementary student, you are already considered a member of the PTO (Parent Teacher Organization). However, to become an active member (one with voting privileges and other perks), you must be enrolled. Please fill out the following form and return it to school, or email the information to oakridgeparents@gmail.com. Multiple people from a household may enroll. An email confirmation (or mailed confirmation if you have no email address) will be sent notifying you of your enrollment. You will then receive regular correspondence with updates and meeting notices, which will also be posted on the PTO bulletin board at the school. Thank you!
