

## E-Card Directions

Directions: Copy the message below and paste it in the e-mail you send to the person you are sending the card to. To do this click on the “select text tool” on the menu (see picture below) and then highlight the message and copy it. Then go into the e-mail message section and paste it in. Now change the bold areas to personalize it for you.

**Copy the part below this>>>>**

This message is coming to you because you have a card waiting for you created by **(Fill in)** at [http://www.district196.org/re/classroom/resource\\_4/Microworlds\\_05\\_06.cfm](http://www.district196.org/re/classroom/resource_4/Microworlds_05_06.cfm)

Step 1

Go to the above web site!

Step 2

**IMPORTANT** to make the card work!:

If you do not have the MicroWorlds Web player, visit LCSI's Web site at <http://www.lcsi.ca> or click on the “Get MicroWorlds Web Player” button on the web page listed above. **Choose to download the MicroWorlds web player for MW EX projects** in either the Macintosh or Windows options depending on the type of computer you have. Follow the directions on the download page and install the player on your computer. Then, follow the instructions below.

Step 3

Find the appropriate 4th grade teacher. This child has Mrs. **(FILL IN)** for a teacher. You will find the project linked to the child's name. Click on the child's name.

This will start your default browser with the Turtle in the center of the page and may take a little to load. To begin the card click on the character (usually an animal or person) on the screen. If you have a blank page with a red x you have not downloaded the Microworlds Web player correctly go back to that section again.

Feel free to call Mr. Boyd at Rosemount Elementary if you are having troubles. 651-423-7690.
