

## Southview Elementary Supply List

2009-10

Parents: Please make sure your children have the following supplies to start the 2009-2010 school year. All children will need to have gym shoes that tie or Velcro with non-marring soles for physical education. **Please, DO NOT SEND Trapper Keepers.** Make sure to label everything clearly. Recognizing the cost of items, efforts have been made to reduce the request for supplies. If purchasing supplies creates a hardship, please contact the office for assistance with donated supplies.
